MEMORANDUM FOR THE RECORD

SUBJECT: PBSUCCESS — Cover for LINCOLN

1. [] called me today and wanted to arrange for a meeting in Col. Brad Smith's office in the Pentagon in order to bring together and coordinate all arrangements concerning the cover for LINCOLN between Mr. Stohl (Director of the Domestic Security Program under the Secretary of Defense), Col. Smith (Gen. Erskine's office) and the PBSUCCESS representative (Tofte).

2. I subsequently had a meeting with Col. Gidden and studied the directive from the Secretary of Defense establishing the cover organization for LINCOLN.

3. Thereafter, I indicated to [] that it would be all right to set up the meeting as soon as possible and informed Col. Gidden that he would be duly advised concerning same.
